Vincenzo Gabriele

CEO / OWNER

My name is Vincenzo, and I currently live in Italy (Calabria) my homeland.

Born and raised near a small town in National Sila Park since I was a child I have cultivated a passion for photography, today it is not my main occupation but it is an integral part of my profession.

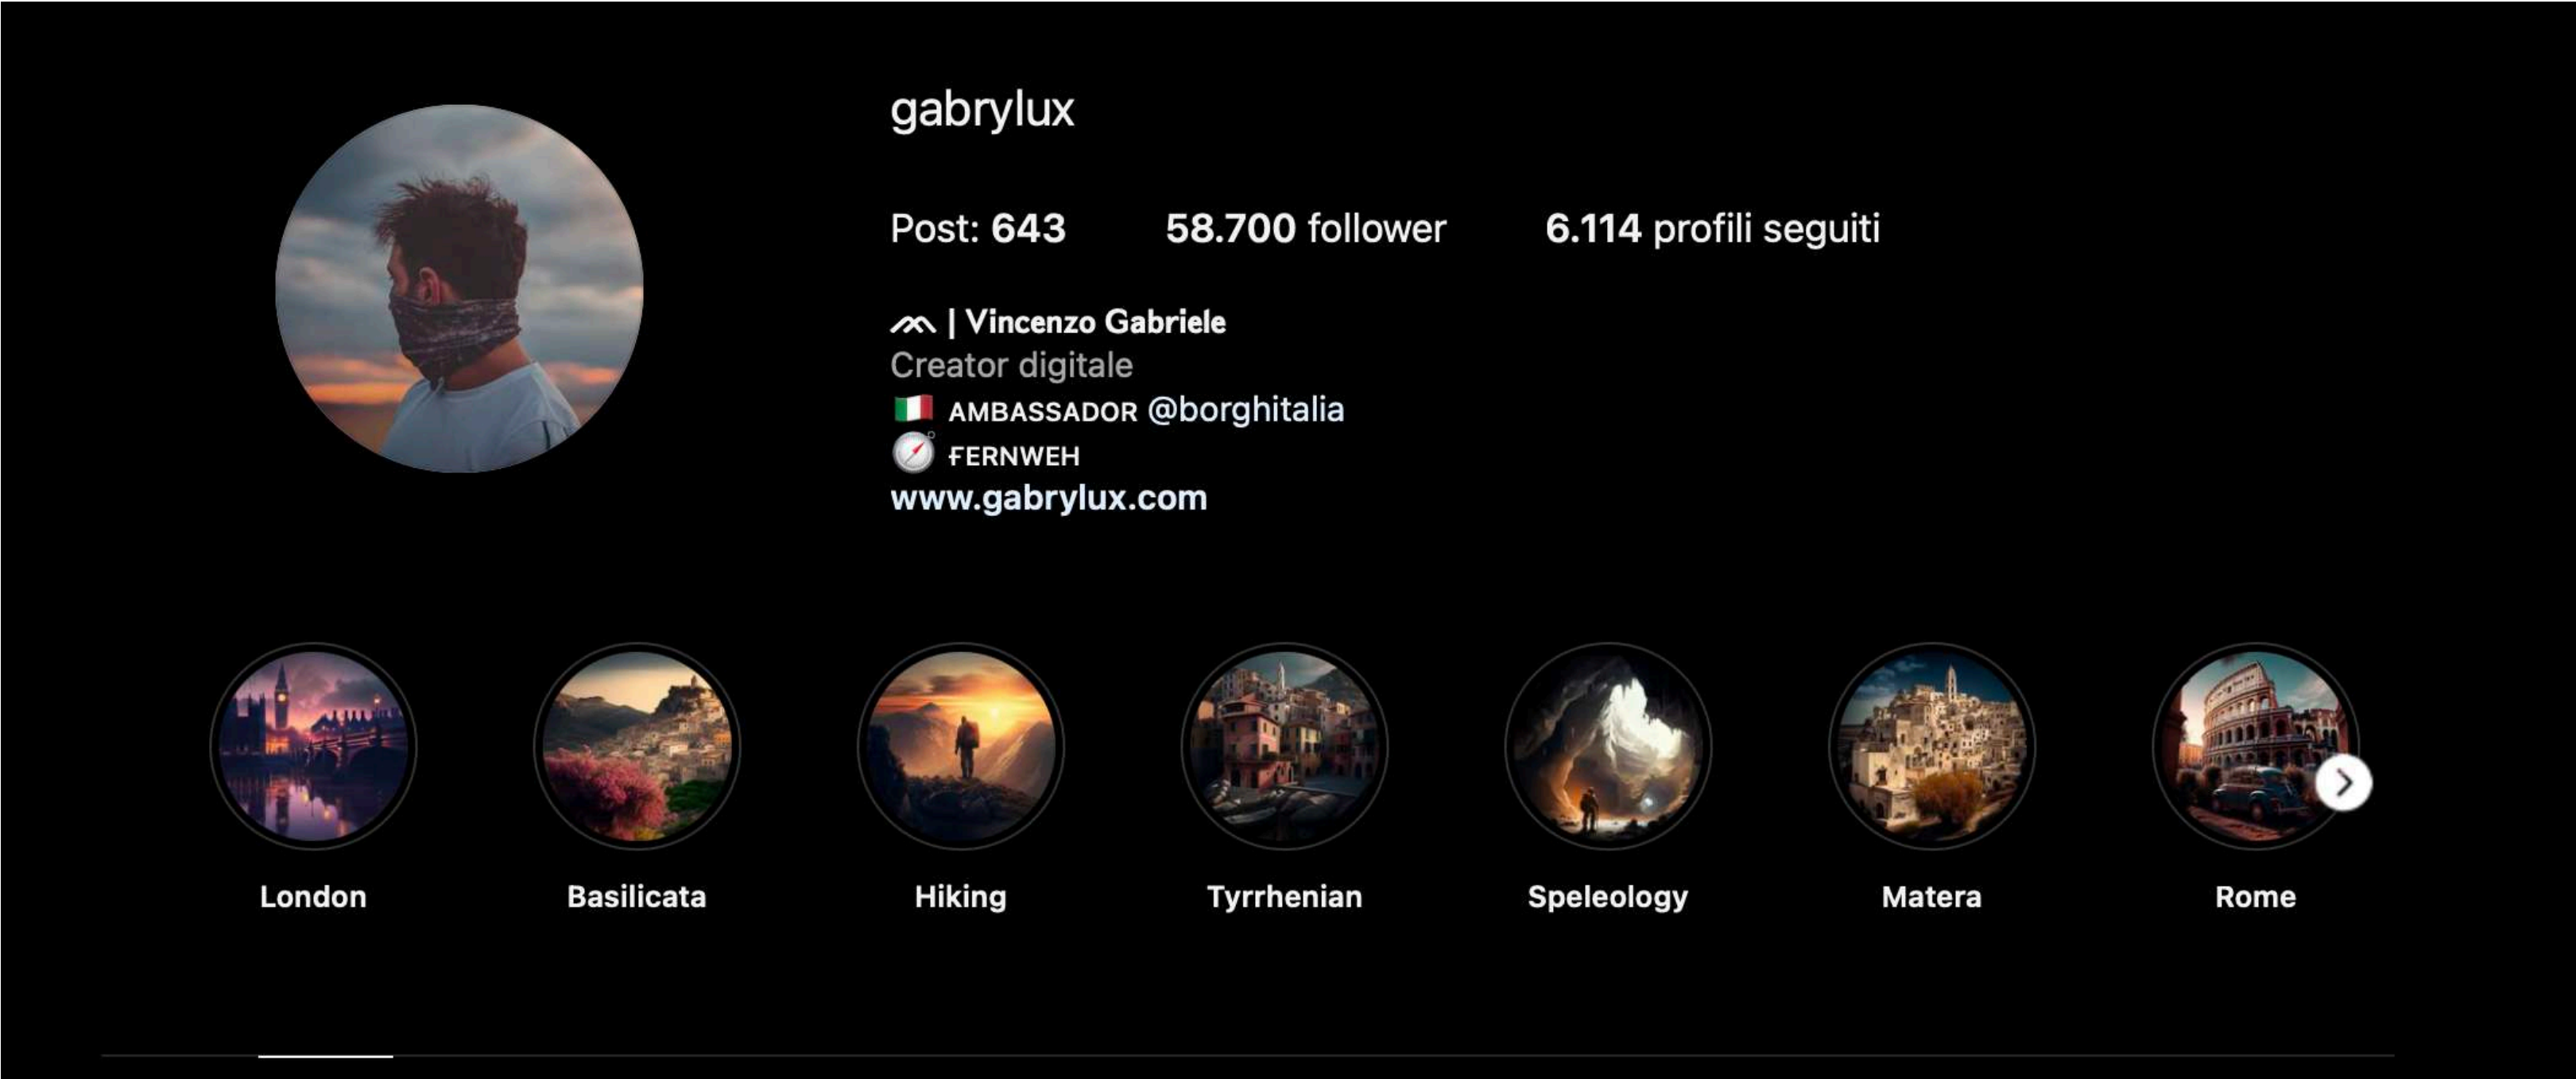

I create contents that are able to convey emotions and tell something in particular and I always like to think big as well as glimpse the potential even in small things.

Storytelling is an integral part of my photography.

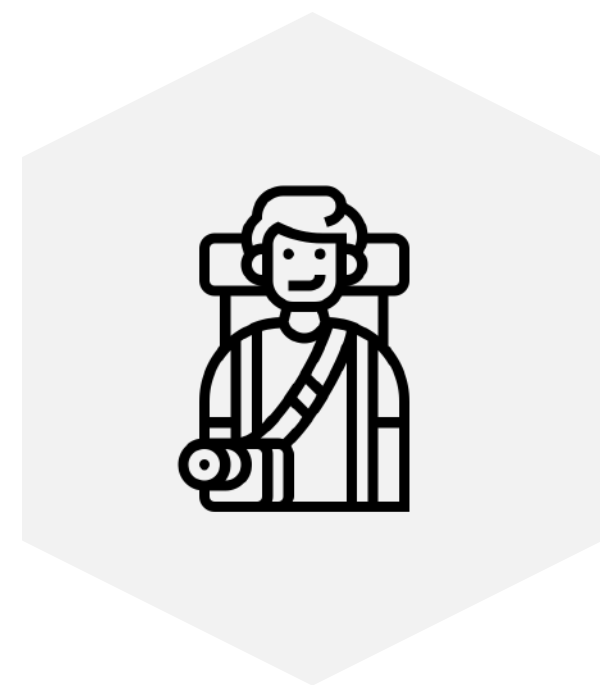

ACHIEVEMENTS

Another great goal was to reach 60,000 followers on Instagram with a total of about 4,000,000 total likes on my photos!

Known on social media as Gabrylux in recent years I have had the pleasure of collaborating with different brands, sharing travels and adventures, and I hope to continue to do so by visiting every corner step by step to be able to tell it through my photographic vision!
